Dumfries, VA 22026

Dear Ms. Hobgood:

The Commonwealth Transportation Board will conduct regional public hearings to give citizens the opportunity to review and provide comments on projects and programs to be included in the Fiscal Year 2013-2018 Six-Year Improvement Program (FY 13-18 SYIP), including highway, rail and public transportation initiatives. These projects and programs represent important improvements to address safety, congestion, and preservation of Virginia's transportation network.

We look forward to hearing from you and your constituents about those projects you feel are the highest priority for the state's limited transportation funds. The public hearing for citizens in our region will be on May 3, 2012, at the Virginia Department of Transportation, 4975 Alliance Drive, Fairfax, VA 22030. The hearing will begin at 6:00 p.m. in the Potomac Conference Center. Written comments can also be submitted during the hearing or mailed/e-mailed afterwards.

You and your staff are invited to attend the public hearing in our region or one of the other hearings listed on the attached schedule, whichever is more convenient for you. Should you be unable to attend, you can send your comments to Program Director, Virginia Department of Transportation, 1401 E. Broad Street, Richmond, VA 23219 or e-mail them to Six-YearProgram@vdot.virginia.gov.

If you have any questions prior to the public hearing, our Public Affairs Manager Joan Morris can assist. She can be reached at joan.morris@vdot.virginia.gov or (703) 259-1799.

Sincerely,

Garrett W. Moore, P.E.
